

Today Medic One Foundation coordinated a reunion of a cardiac arrest survivor, his family, and the first responders who assisted in saving his life. NORCOM was invited and Nicole Benson represented NORCOM as she was the primary dispatcher during the event. NORCOM's Sandy Hogue took the call and recognized the need for CPR in less than one minute.

KIRO TV covered the event and aired the segment 2/28/2018. Click here for details.
